

ABSTRACT OF THE DISCLOSURE

Grave-visiting-page-transmitting means 12 transmits a grave-visiting page containing gravestone image and manner icons to visitor terminal 3 by retrieving customer database 4. When one of manner icons is clicked on the grave-visiting page, manner-content-selection-page-transmitting means 13 makes a manner-content-selection page by retrieving the manner database 5 and transmits it to the visitor terminal 3. When one or more manner contents are selected on the manner-content-selection page, manner-applet-transmitting means 14 retrieves one or more manner applets from the manner database 5 and transmits them to the visitor terminal 3. Historical-data-recording means 15 records historical data containing account result in the historical database 6.
